## NATIONAL F CLASS TEAMS MATCHES, 18 - 20 NOVEMBER 2024

MCINTOSH RIFLE RANGE, 22 HECTOR MCINTOSH GROVE, MAJURA ACT

### CIRCULAR NO2

Dear All

Please see the latest and updated information for the above Teams Matches.

#### CONTACTS

NRAA will continue to send Circular details to the S&T Chair and EO where Team Captains and Managers contact details have not been provided - currently QRA & TRA.

#### ENTRY FEES

- **Entry fee per team: \$1350.00**

The NRAA will forward an invoice to your association. Prompt payment is appreciated and required by 15 September 2024.

#### CAPTAIN'S MEETING

The ***Captain's Meeting*** will be held on Sunday 17th November at 4:30pm or as soon as possible after the ACT Championships presentation is completed. Venue is inside the Canberra Rifle Club main building near the office.

#### PRESENTATION DINNER

**Presentation Dinner** - will be held on **Wednesday evening 20<sup>th</sup> November, commencing at 7:00pm** (photos from 6pm) at Thoroughbred Park <https://thoroughbredpark.com.au/about-us>, located just 12 minutes from the rifle range and 15 minutes from the heart of the City, off Northbourne Avenue. There is plenty of free parking on site and a dedicated function room with views.

**Price per person \$80.00** for 2-course meal (entrée and main - alternate drop).

ACTFBTR is collecting RSVPs electronically. Teams must register **all** dinner attendees (and any special dietary requirements) using this link:

<https://forms.gle/3AEb69zPm9J8sxFK9>

Please note:

- **RSVPs close on 15 September 2024 - No late RSVPs can be accepted**
- **ACTFBTR will email Team Captains and S&T Associations and advise the total cost due for dinner attendees and will include bank account details so that one payment per S&T can be made.**
- **Payments must be received into the nominated bank account by Friday 27 September, 2024**

All dinner enquiries are to be directed to Laura at ACTFBTR, email: [ACTChampionships@outlook.com](mailto:ACTChampionships@outlook.com)

## **TEAM PHOTOS**

Commencing from 6:00pm, Team photos will be taken at the dinner venue. Due to the large number of participating teams, Team photos will be staggered throughout the evening. A team photo run sheet will be distributed at the Captains' Meeting. Digital high-res team photos are included in the entry fees.

## **PHOTOGRAPHY & IMAGES**

Persons who are members of a State or Territory Team and competing at NRAA sanctioned events acknowledge and consent to the taking of photographs and electronic images at this competition. Photographs and images may be used by the NRAA for promotional, marketing or other purposes and to promote the sport of target rifle shooting in general. These photographs and images may continue to be used by NRAA beyond the period of an individual's Team membership and their membership of NRAA, its member State & Territory Associations and their affiliated clubs.

## **LUNCH CATERING**

Lunch catering will be provided during the ACT Championships and the Teams matches. For the Teams matches, this will ONLY be available on pre-order and payment direct to the caterers by 3pm the day before. This is up to Teams to organise for themselves. Team lunch order forms will be included in Captain's packs distributed at the Captain's Meeting.

## **ACT CHAMPIONSHIPS AND ACCOMMODATION**

Individual entries for the ACT Championships are required by 31 October. We understand that teams will make their own accommodation arrangements. Details on unpowered on-range tent and caravan camping, as well as (limited) share-hut accommodation will be available on the ACT Championships link (when released).

## **PROGRAM**

Please see the below attached program (pages 5 - 7). Detailed particulars of the matches can be found on the NRAA web page: <https://nraa.com.au> under Competitions>NRAA Competitions>Competitions Policy.

## **TARGETS**

Kongsberg electronic targets will be used for all Teams practices and matches and during the ACT Championships. Each mound has two concrete pads for each target, allowing one shooter to get ready while the other is shooting. There is only one monitor per target, and it must be positioned so that the Coach, Captain and scorers (from another team) plus plotters can all view the screen. See photos on the pages 3-4 for options used by past teams.

Scorers to only be replaced on conclusion of a shooter's stage with verification of scores on monitor and score card completed by the previous scorer. Scorers must be vigilant for sighting shots used by the next shooter and for any crossfires from other targets. Check scoring is not required, but the total stage score (eg 60-7) of each shooter is to be recorded on the team board behind each target for spectator purposes.

For ranges up to and including 800m, target B1 is used as the manual 'zero target' if misses are recorded by commencing shooters on other electronic targets. At 900m target AX will be used as the manual 'zero target' if required.

***Note: Cross-firing on targets 8, 9 and X may be required to avoid flag line interference.***

**F Class National Teams Matches - Program**  
**McIntosh Rifle Range, ACT - 2024**  
**Revised Program issued 22.05.2024**

**Sunday 17<sup>th</sup> November**

16:30	Captain's Meeting	CRC Club House following King's Prize Presentation
-------	-------------------	--

Time limits for matches are in accordance with clause 4.23 of the NRAA Competitions Manual – National (issued 15<sup>th</sup> May 2024) and ICFRA Technical Rules for F-Class shooting clause F14.17. An exception is the practice where reduced time limits apply.

**Monday 18<sup>th</sup> November Practice**

MUSTER	DRAW	RANGE	START	FINISH	TIME LIMIT	FS/FO/FTR	SHOTS
06:50		<b>700m Fouling shots</b>	07:00	07:20	20m	A number of Electronic Targets (ETs) on each block shall be lowered and temporary targets placed as directed. CRO to control proceedings.	
07:30	Muster for welcome, range safety briefing and outline of program and access at 900m.						
	07:45	<b>700m</b>	08:00	09:15	1 Hr 15m	Practice	
		<b>800m</b>	09:30	11:00	1 Hr 30m	Practice	

The McIntosh Rifle Range has 20 target lanes at 700m and 800m, of which two target lanes may be allocated to manual targets in the event of misses being recorded for sighters. There are 18 team entries (7xFO, 6xFTR, 5xFSTD) so at 700m and 800m there will be a draw to allocate disciplines to the left, centre or right of the range. A further draw shall take place to allocate teams to targets within that discipline grouping. 900m is limited to 9 targets, so different details will be held to cater for the number of teams. In the interests of reducing time on range, there will be a mixed discipline practice, however all FSTD teams will be allocated to the 2<sup>nd</sup> detail practice so that they can logically flow onto the match afterwards. A draw shall be conducted at 07:45 to determine which discipline (FO and FTR) shall be allocated to the 1<sup>st</sup> and 2<sup>nd</sup> 900m details and targets. Should 800m conclude earlier, the next 900m range will follow on immediately. For those who did not have equipment checked during the ACT championships, this will occur during the practice.

	Lunch shall be taken during mound set up breaks between ranges.						
		<b>900m 1<sup>st</sup> detail</b>	11:30*	13:15	1 Hr 45m	Practice	
		<b>900m 2<sup>nd</sup> detail</b>	13:30*	15:15	1 Hr 45m	Practice	
		<b>900m 3<sup>rd</sup> detail</b>	15:30*	18:15	2 Hr 45m	<b>Match 1 for F STD ONLY: QLD Long Range F STD</b>	<b>20</b>

\* Teams in the 900m details are to be prepared to commence nominally 60 minutes earlier than scheduled.

**Important note to all competitors regarding special conditions for access to the 900m mound from the adjacent SSAA access road:** Parking behind 900m is limited to range officer vehicles and a limited number of vehicles with an official government disability sticker (if the organising committee determine that space permits). There is an adjacent public road to the SSAA range and a drop off area for equipment will be marked out – please drop your gear quickly and park further along the road. Please note however that **all rifles MUST be contained within a suitable rifle case or soft bag for transporting to and from your vehicle** to the drop off area and the 900m mound. No exposure of firearms or cleaning of rifles is permitted along this road.
