

# 2025 NRAA 53RD NATIONAL RIFLE CHAMPIONSHIPS

INCLUDING NATIONAL PAIRS AND INDIVIDUAL MATCHES

15 - 21 OCTOBER 2025

DUNCAN RANGE, BELMONT SHOOTING COMPLEX, BRISBANE

## CHAIRMAN'S WELCOME

Welcome from the NRAA Board

The National Rifle Association of Australia (NRAA) acknowledges the Traditional Owners of the lands where we live and participate in our sport across Australia. We acknowledge their continuing connection to their culture and pay our respects to their Elders past and present.

On behalf of the NRAA Board, I welcome competitors, family and friends and distinguished guests to the Belmont Shooting Complex to compete in the 53<sup>rd</sup> National Rifle Championships (NRC). We are especially pleased to host our overseas competitors and thank you for joining us this year.

The NRC, which includes the President's lead-up, the King's Prize, and the Kaltenberg Cup competitions, represents the pinnacle of individual competition events for our sport in Australia. Following discussions with the Council of States and Territories (S&T), the competition committee has chosen to remove grading from the National Championship, and we encourage all Target Rifle and F-Standard competitor's to compete in the highest grade.

While Sporter is not included in this year's NRC program, the Board has initiated the formation of a Sporter Committee, led by a Board member, to develop a national pathway for Sporter competitors from beginner to National level. More will be announced on this in 2026 following further consultation and engagement.

We would like to thank our sponsors, particularly ExtraVision/Vortex Optics as our major sponsor once again. They have come on board with a selection of products and some fabulous vouchers for their products which will be presented as prizes across all disciplines. Please take the time to check out the display of their products by visiting their website [www.extravision.com.au](http://www.extravision.com.au) We also acknowledge our other sponsors being Gordon and Ruth Duncan, Brisbane MDRA, Syndicate 1 ET Management Committee and the QRA's Q-Store.

The Belmont Shooting Complex is a world-renowned long-range facility managed superbly by the Queensland Rifle Association. The NRAA is grateful for the use of this range and its facilities and is especially thankful for their help in organising this great competition.

Good shooting to you all!

Stephen Negus  
NRAA Chair
